

# TECRA<sup>®</sup> ENVIROSWAB<sup>™</sup>

## MATERIAL SAFETY DATA SHEET

### Non-Hazardous Substance According to Approved Criteria of NOHSC

#### COMPANY DETAILS:

**Company:** TECRA International Pty Ltd (ABN 71 007 414 360)  
**Address:** 13 Rodborough Road, FRENCHS FOREST NSW 2086  
**Telephone Number:** +61 2 8977 3000 Business hours (8.30am – 6.00pm EST)  
+61 2 0416 181 101 After hours  
**Facsimile:** +61 2 9453 3422  
**Website:** www.tecra.net

#### IDENTIFICATION

**Product Code:** ENVSWB25  
**Other Names:** None allocated  
**Poisons Schedule:** None allocated  
**Dangerous Goods Class and Subsidiary Risk:** None allocated  
**UN Number:** None allocated  
**Hazchem Code:** None allocated  
**Product Use:** Swabbing surfaces for microbiological organisms

#### PHYSICAL DATA

**Appearance:** Plastic tube containing a plastic stemmed swab with a sponge head. A transport medium is included in the tube.  
**Melting Point:** No data available  
**Boiling Point:** No data available  
**Vapour Pressure:** No data available  
**Specific Gravity:** No data available  
**Flash Point:** No data available  
**Explosion Data:** No data available  
**Water Solubility:** No data available  
**Other Properties:** No data available

#### INGREDIENTS

Chemical Name	CAS NO.	Proportion	Risk Phrases
Ingredients determined not to be hazardous.			

#### HEALTH HAZARD INFORMATION

**Acute Ingested:** Ingestion of large amounts of the substance may cause gastric discomfort, including vomiting and diarrhoea  
**Acute Inhaled:** Inhalation may cause respiratory discomfort, including coughing and wheezing.  
**Acute Skin:** Unlikely to cause skin irritation in most individuals, but may cause minor skin blemishing on repeated or prolonged exposure.  
**Acute eyes:** May cause mild physical discomfort if enter eye.  
**Chronic Effects:** No chronic health effects have been documented following use of this substance.

#### FIRST AID

**Ingested:** Rinse out mouth with water and give one or two glasses of water to drink. Seek medical advice if considered necessary. Never give anything by mouth to an unconscious person. Seek medical advice if necessary.

<b>Inhaled:</b>	Remove the victim to fresh air, loosen clothing and relax victim as much as possible. Seek medical advice if considered necessary.
<b>Eye (s):</b>	Wash with free flowing water to physically remove substance, holding eyelids apart to ensure thorough rinsing. As with any eye incident, it is prudent to seek medical advice.
<b>Skin:</b>	Wash thoroughly with plenty of soap and water.
<b>First Aid Facilities:</b>	Eyewash facilities, safety shower, normal washroom facilities.
<b>Advice to Doctor:</b>	Treat symptomatically. If further advice needed, contact local Poisons Information Centre

### PRECAUTIONS FOR SAFE USE

<b>Exposure Standards:</b>	No documented exposure standard is available for this product.
<b>Engineering Controls:</b>	Use with local exhaust ventilation or in a fume hood conforming to AS 2243.
<b>Personal Protection:</b>	Safety glasses with side shields conforming to AS/NZS 1337, vinyl or latex rubber gloves and suitable protective clothing such as a long sleeved laboratory coat or gown should be worn for skin protection. Avoid eye contact and prolonged skin contact. Do not eat, drink or smoke when handling and always wash hands after handling.
<b>Flammability:</b>	Not flammable under conditions of use but will burn under fire conditions.

### SAFE HANDLING INFORMATION

<b>Storage and Transport:</b>	Store at 2- 8°C. No special transport requirements are necessary for this product.
<b>Spills and Disposal:</b>	Wearing protective equipment as specified under precautions for safe use, sweep up small spills into a screw capped plastic container, seal tightly and store to await collection for disposal at an approved waste disposal site.
<b>Fire/Explosion Hazard:</b>	Not regarded as a fire/explosion hazard, but may burn under fire conditions and may produce toxic fumes if burning in a confined space. Use water, carbon dioxide, dry chemical or foam to extinguish fire. Firefighters to wear standard uniform and equipment.

### OTHER INFORMATION

<b>Hazard Category:</b>	Not classified as hazardous according to NOHSC criteria.
<b>Risk Phrases:</b>	
<b>Safety Phrases:</b>	S24/25 – Avoid contact with skin and eyes S36/37/39 – Wear suitable protective clothing, gloves and eye/face protection
<b>Toxicology Data:</b>	No data available
<b>Irritation Data:</b>	No data available
<b>Ecological Toxicity:</b>	No data available
<b>Biodegradability:</b>	No data available
<b>Environment Persistence:</b>	No data available

THE ABOVE INFORMATION IS BELIEVED TO BE CORRECT, BUT DOES NOT PURPORT TO BE ALL-INCLUSIVE, AND SHALL BE USED AS A GUIDE ONLY.

This MSDS is valid for 5 years from the issue date unless superseded before.
